## NEW FEATURE

Welcome to the magical world  
of **Madame 4 Fortuna**.

Match 3 or more symbols  
to get a prize.

If you win 4 times your bet,  
the **Special Spins** mode is unlocked,  
where the grids quadruple,  
creating new combinations.

## BASE GAME

Every time you win 4 times your bet, the **SPECIAL SPIN** phase is activated.

## SPECIAL SPIN

During the Special Spins phase, the game transforms into a sequence of reel, with four sets spinning simultaneously.

You start with the same bet per reel as the base game, but you can change it as you like. Here, you will accumulate **BANK** points at a 1-to-1 ratio.

## BUDDHA WILD

During the **SPECIAL SPINS** phase, Buddha Wild symbol may appear on the reels transforming into a randomly chosen symbol.
