VOLATILITY

FEATURE

Crown Hot Joker features a **5x3** grid with paylines that **vary based on the bet**. The game unfolds in two phases: **Base** and **Energy**, and includes several **bonus** features thanks to different **special symbols**.

SPECIAL SYMBOLS

WILD

Replaces all symbols except special ones.

SCATTER

3/4 scatters activate the **JOKER FREE SPIN**,
5 scatters activate the **JOKER BONUS PICK**.

BONUS

6+ symbols activate the **WIN CONNECTION** bonus.

X2

Doubles the prizes of win lines and **Mystery Prize** symbols.

MISTERY PRIZE

Pay **2 to 20** times your bet.

BASE GAME

All prizes awarded, greater than **2 times the BET**, activate the **energy phase** and the prizes will be paid in **energy points**.

WIN CONNECTION

6+ BONUS symbols activate the **3 Free Spins** phase, which can be reloaded with additional **bonus symbols**. The total win is the **sum of the values** on the screen, and if all positions are filled, you win the **max prize**.

JOKER FREE SPIN

With **3 or 4 Scatter** symbols, you can get between **1 and 20 Free Spins**. Here, you'll only encounter Slot symbols with different values; **SILVER SLOT** with a value of 1-5 times your stake, **GOLD SLOT** with a value of 6-10 times you bet.

JOKER BONUS PICK

With **5 Scatters**, you have **3 attempts to win a prize**, advance to the next level, or get nothing. If you reach the final level, a final choice will reveal the **final prize**.
